Trick or Treat Event Success

The Alplaus Fire Department's Scooby Doo-themed Trick or Treat event was a fantastic success! Our firefighters embraced the theme with enthusiasm, creating a fun and engaging atmosphere. We were especially impressed by the creativity of the kids' costumes, with many coming dressed as their favorite characters. We even had a Daphne show up!

It was a delight to see so many imaginative interpretations! We can't wait to see what next year has in store!
